Minor Puppy Dog (3). **1 Garvey's Richtig Rahue.** 7 mths dog. Liked his outline and balance. Well proportioned masculine head with a soft expression. Good neck and shoulder, shade short in forearm. Good depth and topline to firm quarters. Short backed, stands over plenty of ground. Moved with a true action. **2 Warr's Navigareamor Credo In Te.** Presents a good shape. Masculine head, good eye. Neck fits smoothly into shoulders, straight front, plenty of depth, short backed, good bend of stifle and width to second thigh. Just needs practice. **3 Brown's Montalba Mustrum Ridcully.**

Puppy Dog (6,1). **1 Adams' Tequesta Poldark.** Smart medium sized dog built on clean lines. Masculine head with enough strength. Clean in neck, lovely front with defined fore chest, straight legs, and neat feet. Good depth, short in back and has enough rear angulation. I liked his proportions, and he was steady and accurate on the move. **2 Garvey's Richtig Rahue.** **3 Warr's Navigareamor Credo In Te.**

Junior Dog (3,2). **1 Schoneville's Orchidstar Themisto by Balvenie.** He has a lovely head and eye, good breadth to his skull and well placed ears. I liked the finish to his muzzle and his large nose. He is well made throughout, but I would like a little more length of leg to complete the balance. He has good angles fore and aft and width to his second thigh. Sound action out and back. Coat a little soft.

Post Graduate Dog (7,1). **1 Heath & Robinson's Pinseeker Pep Guardiola JW.** Medium sized dog with good balance and stands over plenty of ground. Well proportioned masculine head and a well shaped eye. Clean neck and well placed shoulders slightly loaded with muscle. Straight front and good feet. Short backed and well ribbed back. Moved freely, just needs to settle. **2 Russell's Fraulynzway Lightning Bolt JW.** Slightly taller all through but nothing coarse about him. Masculine head, dark eye, good bridge to nose and clean finish to muzzle. Straight front, decent return, well ribbed up, short loin. Good bend of stifle. Moved true just needs a little more enthusiasm. **3 Schoneville's Orchidstar Themisto by Balvenie.**

Limit Dog (8,3). **1 Harvey's Valger Snow Patrol at Imaniz JW.** Medium sized, masculine without being overdone. Lovely head and eye, well placed ears, and good finish to foreface. Strong neck fitting very well into shoulders, enough return, straight front, and good feet. Well ribbed and short backed, decent finish to croup. Moved true but could extend more in profile. **2 Mellor's Evagrove Exclusive.** Liked his overall balance and masculine well moulded head. Kind eye. Good neck and shoulders, straight front but needs to fill a little more in fore chest. Good ribbing. Short in back and well made quarters. Would like a shade more leg. **3 Hill's Ceilloch Russian.**

Open Dog (11,2). This was a very strong class. **1 Bowler's Sh Ch Winterwell Iggy Inch JW.** He is a lovely make and shape and so very typey. He is masculine with substance and style and has a lovely head and eye. Clean over neck and shoulders, firm topline, well ribbed, and good finish to croup. Stands over plenty of ground. Super on the move with an accurate footfall and plenty of reach and drive. **DCC. 2 Smith & Reardon's Sh Ch Winterwell Maida Stone.** A lovely headed boy who is well proportioned and has a lovely eye. He has a strong neck with crest, a well made front assembly, depth to chest and is well ribbed. He is firm in loin, but I would like a little less fall over his croup. One of the best conditioned dogs for presentation and muscle tone today. **RDCC. 3 Sielski's Sh Ch Orchidstar Bolts Of Speed.**

Good Citizen Dog (3,1). **1 Coe's Goosepoint Waddington at Abbanash (AI) JW.** He is a pleasing make and shape and has a masculine head of decent proportions. Ears a little big. Good neck and shoulder, well made front assembly, good through rib and loin, good bend of stifle but sits into his hocks. Would like more muscle tone. Moved steadily. **2 Schoneville's Orchidstar Themisto by Balvenie.**

Veteran Dog or Bitch (6,1). **1 Drew's Sh Ch Cushatlaw Illustrious JW.** 10 years old and looking super. Lovely outline and balance, so clean through neck and shoulders. Feminine head and expression. Built on lovely lines, she just flowed. Well balanced angles, moved very well. **BV. 2 Malin's Keigame Murphlette at Benrae.** Typey bitch with a lovely head, just preferred eye of winner and not as clean in neck and shoulder. Good depth, super topline, well made quarters. Moved well. In hard condition with good coat. **3 Thurm's Sh Ch Bryburn Bacchus JW ShCM ShCEX.**

Minor Puppy Bitch (4). **1 Ellis' Soellis Feral Beryl.** 8 mths old and rather nice indeed. Beautiful head and eye, straight front, and lovely feet. So clean in neck and shoulder. Plenty of depth, well ribbed back and short in back. Good finish to croup, well made quarters and very sound indeed. She has that certain something which keeps drawing your eye and could not be denied the **RBCC & BPIB. 2 Kania's Pinseeker Lady Luck at Peakforest.** Nice type. Makes a better shape on the move as tends to sit in her hocks. Feminine head, good neck, and shoulders. Straight front well ribbed. Moved true out and back. **3 Vidamour's Richtig Razzle Me Pink.**

Puppy Bitch (5,2). **1 Elrington's Tequesta Happy Valley.** Pleasing shape and stands over plenty of ground. Little stuffy in neck. Feminine head but a shade harsh in expression. Good shape and finish to muzzle. Straight front and neat feet. Well ribbed back and liked finish to croup. **2 Vidamour's Richtig Razzle Me Pink.** 3rd in Minor Puppy. Decent make and shape, feminine head. Balanced angles, just a little straight, true on the move. Just needs time to mature. **3 Tierney's Ceilloch It Had To Be You.**

Junior Bitch (3,2). **1 Tait's Benboee Beelieve.** She is feminine with substance and has a pleasing head and eye. Good reach of neck and well placed shoulders. Short backed, depth to chest and well made quarters. Harsh coat. Covered the ground well but needs to tighten in elbow on the move.

Post Graduate Bitch (9,1). **1 Staley's Jomeel Olivia's Choice.** Liked her size and type. Feminine well proportioned head with gentle expression. Good neck and shoulders, straight front, good depth. Well ribbed and short in back. Good bend of stifle and finish to croup. Moved a little close behind but went well in profile. Harsh jacket. **2 Tait's Benboee Beelieve.** **3 Merritt's Sperant Chocolate Cosmos JW.**

Limit Bitch (12,2). **1 Filby & Brown's Winterwell Thatldo for Desjiem JW.** Medium sized, balanced, fully of type and built on such clean lines. Her head and eye are lovely and her neck flows cleanly into her shoulders. She has an excellent front assembly, plenty of depth, ribs well back, is short in back and stands over plenty of ground. Used her well developed quarters well on the move. **BCC & BOB. 2 Sielski's Orchidstar Missing Link JW.** I liked her make and shape, but she isn't as clean in neck and shoulder as the winner. Straight front, good ribs but slightly longer in loin. Very sound on the move. Harsh coat. **3 Barnett's Magregor Howl To The Moon over Tibertich JW.**

Open Bitch (7,1). **1 Thurm's Sh Ch Dappledele First Date at Bryburn.** Super clean in outline, feminine with the right amount of substance. Lovely head and eye, neat fine ears, clean neck, and shoulders. Straight front, stands on good legs and feet. Well ribbed back, short loin, lovely finish to croup. Good quarters. Super mover, with good foot fall and covering the ground with ease. **2 Trow's Sh Ch Fayemm Treacle Tart with Winterwell (AI) JW.** Another cracking bitch, just preferred finish to croup of the winner. Feminine head, flows through neck and shoulders. Well made front assembly but slightly down on her pasterns. Well ribbed back, short loin and stands over plenty of ground. Lovely mover on an easy and open side gait. **3 Squire's Sh Ch Taftazini Honour Wynna.**

Good Citizen Bitch (2,1). **1 Whitehouse's Kazanpaul Prawn Cracker.** Pleasing make, and shape with a feminine head but would prefer a darker eye. Good reach of neck, shade short in return. Straight front, good feet. Well ribbed back, balanced angles if a little straight. Steady mover.
