Judge V Burke

First May I thank the Committee SWKA for the invite at their well run Show. Also the Exhibitors for their sportsmanship on my decisions. I have been in this breed for 40 years, and it's worrying the trend this breed is going. Eyes are becoming round and pale, short upper arms the norm, exhibits getting on the smaller size with no bone, or substance. Plus movement really leaves a lot to be desired, some of the animals just couldn't do a day's work, only remember one dog with slightly raised nasal bone. On the bright side good coats, some nice feet plus temperaments on the whole were good and even though terribly cold, all seemed to cope. Pleased with my placings, some nice dogs had to go without cards.
