### **Judge Zlatko Jojkic (Serbia)**

I would like to thank the Gundog Breeds Association of Scotland for inviting me to come and judge German Shorthaired Pointers. This was my first time awarding CC's for them in the UK. I must say that I was really impressed with my main winners. When judging, I always looking for the dog of noble and balanced appearance, with conformation which ensures strength, endurance and speed, with proud attitude, smooth outlines, lean, strong, noble head, dark eyes, good topline, well carried tail, firm shiny coat and well reaching, powerful and harmonious strides, and luckily, I found him in my BOB winner. Thanks and congratulations to the hard working committee and their helpers for this well run show and hospitality.
